The Everett Recovery Café is a local nonprofit whose mission is to be a safe, healing community for individuals in recovery from the trauma of homelessness, addiction, and mental health challenges and to empower long-term transformation through human connection.

They offer recovery support circles, one-on-one recovery coaching, and membership perks such as a healthy meal, classes, and access to services in the community. Membership is free-of-charge, and the membership model helps people to know that they are valued and they do not have to go through recovery alone.
