

## Our Mission

The mission of the Everett Recovery Café is to be a safe, healing community for individuals in recovery from the trauma of homelessness, addiction, and mental health challenges and to empower long-term transformation through human connection.

Our vision is that everyone in Snohomish County who is seeking recovery would have a space where they would be given hope and empowered to pursue health and wellness, to live a self-directed life, and strive to reach their full potential.

In 2026, we are facing cutbacks in Federal funding and increased operating expenses. This has left a \$150,000 shortfall in our budget, while the need for our services continues to build throughout Snohomish County.

## Your Support

By supporting Everett Recovery Cafe, you become a part of a community dedicated to uplifting those in recovery from the traumas of homelessness, mental health challenges, and addiction. This support plays a vital role in strengthening our community as a whole - preparing people to re-enter the workforce, find housing, access medical care, and truly strive to reach their true potential.

Community support is invaluable to the Cafe, and we are deeply grateful for every contribution that enables us to keep doing this work!

The Everett Recovery Cafe didn't just help me find and stay on my path; it showed me that my experiences could be a source of strength for others. It gave me a new perspective, a community, and a direction I never imagined.  
- Brandon, Cafe Member
